

**STREATOR PUBLIC LIBRARY
BULLETIN BOARD POLICY**

The Streator Public Library recognizes its role as a source of community information. Because of space limitations the Library must set limits and priorities for the display of printed materials (flyers, brochures, posters, etc.) within the Library.

The Library's Information Bulletin Board may be used for posting the following types of information:

Fliers, brochures, announcements or schedules distributed or sponsored by a nonprofit organization, group or agency or by any federal, state, or local government agency providing services to citizens.

Announcements of forthcoming or continuing educational, social, cultural, or entertainment activities offered by nonprofit organizations

Any appropriate Streator Public Library publications or posters, including employment information

All items must be reviewed and approved in advance by the Library Director. All items must be initialed and dated before being posted by the Library Staff.

The library reserves the right to remove any posted item.

Posting of materials does not imply Library endorsement of content. The Library does not accept any responsibility for the accuracy of statements made in such material.
